The Comparison Video](#)

Address: 411 Cityview Blvd, Woodbridge, Ontario
Contractor: Maple Reinders Constructors Ltd.

Architect: Leonardo Romanese Architect Inc.
Completed: December 2016

Equipment Provided: Polycarbonate Overhead Doors & Cookson Rolling Steel Fire Door

Description: A175P Full View Polycarbonate Doors provide Bluebird the durability and security they were looking for while permitting the transition of light into the building. To resolve a side room clearance issue NDS was able to provide a Low Profile-Direct Drive High Performance Operator for one of the Drive-In Doors, allowing Bluebird dependable electric operation on each of the three main entrance doors.
