

Floor Markings

Promote Social Distancing and Guide the Flow of Traffic

Permanent or temporary solution to protect your employees and customers

Floor markings and painted lines promote social distancing and guide the flow of traffic. We have temporary or permanent floor markings that are:

- High traffic laminate which is slip-resistant.
- Chemical and scuff resistant to protect quality and visibility.
- Easy-to-apply on any smooth surface including low pile carpet.
- Glow-in-the-dark options are available.
- Standard or custom artwork with branding and messaging.
- It can be cut into custom shapes such as circles, logos, arrows etc.

A Solution Perfect for:

- ✓ Directing customers through aisles.
- ✓ Directing workers through a workspace.
- ✓ Creating physical distancing for receptions, line ups and check-outs.
